The 2008 Toronto Ride to Conquer Cancer

We are on a conquest. We have decided to team up in The Ride to Conquer Cancer™ benefiting The Princess Margaret. It's a cycling journey from Toronto to Niagara Falls - over 200 km - taking place in the summer.

We're here because we know that cancer is too big a disease to ignore. It affects everyone, maybe you, me, our parents, kids, siblings or friends. Sadly, maybe all of the above. But by riding in this event we are doing something about it. We're rolling closer and closer to the end of cancer. It's an awesome triumph in a physical sense and emotionally as well.

So hey, join us! This can be your opportunity to do something challenging and rewarding in so many ways. And you won't do it alone. We will be doing training rides, helping each other to fundraise, and generating awareness for critical cancer research at The Princess Margaret, one of the top 5 cancer research hospitals in the world.

Please donate to us or join us. Thank you in advance for your support.
